Celebration of International Day of the World's Indigenous Peoples 2022 & Tribal Culture Exhibition

Theme: "The Role of Indigenous Women in the Preservation and Transmission of Traditional Knowledge"

DATE: 10th August 2022, Wednesday

TIME: 11.30 AM

Objectives:

1. To celebrate International Day of the World's Indigenous Peoples 2022
2. To create awareness about tribal life, culture and contemporary situations of tribal communities among the participants.

Maratha Vidya Prasarak Samaj's College of Social Work, Nashik organized a lecture and exhibition of tribal lifestyle items on the occasion of International Tribal Day and Amritmahotsava of Indian Independence. The United Nations has announced the theme for the International Day of Indigenous Peoples 2022 as The Role of Indigenous Women in the Preservation and Transmission of Traditional Knowledge. Prajakta Suryavanshi, a student, gave information about the program in the introduction of the program.

A total of 192 countries from all over the world come together in the United Nations. Positive changes regarding border issues, health issues, world heritage came before the world from the platform of the United Nations. The matter that came to the fore in the working of United Nations for almost 50 years was shocking. In various countries of the world, the indigenous groups who generally live in forests have done a valuable job of preserving the environment. But since these primitive tribes were not in the mainstream of society, they were far away from education, health and employment. To acknowledge the existence of these indigenous primitive tribes, the United Nations declared the International Day of Indigenous People on August 9, 1994. From that time, every year on the occasion of this day, attention was started towards providing basic facilities to these tribes and getting them.

After this, in the program students Swati Wagh, Shivani Pawar, Saurabh Ranadive and Ajay Jadhav shared information about the thoughts of social reformers and tribal revolutionaries and tribal society in the program.

Dr. Vilas Deshmukh has chaired the program and inaugurated Tribal Culture Exhibition in his valuable guidance he discussed the problems of tribal, current situation, contemporary perspective and various philosophies, relevance and relevance of thoughts in today's times.

Prof. Dr. Ghansham Jagtap coordinated the program. Prof. Dr. Manisha Shukla, Prof. Dr. Sonal Bairagi and second year students of Tribal Development Department participated in the planning. Second year students performed a dance drama. College Professor Dr. Pratibha Pagar, Prof. Chandraprabha Nikam, Prof. Pratima Pawar and office staff attended the event. Prajakta Suryavanshi and Pankaj Jadhav anchored the program. Valmik Mali gave vote of thanks.
